April 2024

Dear Artstor Digital Library Participant:

This letter serves as the sole source statement that you requested for your institution.

To the best of our knowledge, the Artstor Digital Library is not available from any other single source. The Artstor Digital Library is an electronic database containing digital image collections and associated metadata records (descriptions of such images and image collections are currently available at [www.jstor.org/site/artstor/](http://www.jstor.org/site/artstor/)), as well as software tools that allow users to search, browse, pan, and zoom images in those collections, make image groups, display metadata associated with those images, and display, print and download images from those collections.

Please do not hesitate to contact us at any time if you have questions or if you need further information. Thank you for your continued support of Artstor.

Sincerely,

DocuSigned by:
